Dear Parents,

I would like to share some important information about the Coronavirus which is spreading around the world at a fast pace.

All International travellers who have symptoms of fever, sore throat, cough cold and difficulty in breathing within 14 days of landing in Mumbai, and who have a positive history of travelling from affected Countries (China, Hong Kong, Thailand, Singapore, South Korea, Japan, Vietnam, Nepal, Malaysia, Indonesia, Iran, Dubai and Italy) have to be sent to Kasturba Hospital for checkup immediately. They will be admitted in Kasturba hospital. Swabs are taken only for admitted patients in Kasturba hospital.

For Asymptomatic travellers with a positive travel history, suggest home isolation for 14 days from day of landing, encourage self-reporting to Kasturba hospital on development of symptoms and inform them about the preventive measures.

Please inculcate the below listed preventive measures to keep your family safe from the coronavirus.

Educate your children to frequently wash their hands with soap and water for at least 25 seconds or using a hand sanitizer that contains at least 70 percent alcohol if soap and water are not available.

Avoid going to public places if not important. Avoid touching any surfaces in public places. Refrain from touching your eyes, mouth and nose. Avoid shaking hands with anyone. Disinfect your cellphone daily. Do not send your child to school if he/she is sick and seek medical assistance.

Please follow the safety measures and keep your family safe.
