Dear Parents,

In view of the Novel COVID-19 which is spreading rapidly across more than 100 countries including India thereby creating a lot of panic amongst people all over the world.

At SVIS, we are dealing with a large number of students and looking at the current scenario we have decided to **close the school for the safety of the children effective from 14th March'2020 till further notice.**

- ❖ All the students from **GRADE-I TO GRADE VII AND STD. I TO STD-VIII** will have no examinations.
- ❖ It has been decided to **PROMOTE** all the children on the basis of their performance in their previous exams.
- ❖ However, **STD-IX AND GRADE-VIII** exams will be conducted as per the given schedule. The last exams will conclude on 18th March 2020 followed by holidays thereafter.
- ❖ Board Exams of **STD-X AND GRADE-X** shall continue as per schedule.

Parents may call the school landline for any further clarification.

As children will be away from school and at home it will be your responsibility to look after their safety and security. Kindly monitor their activities keeping in mind the current scenario and make sure they avoid going to crowded places and follow cleanliness and hygiene by frequently washing their hands with soap and water for at-least 25 seconds or use a hand sanitizer. Avoid touching any surfaces in public places and refrain from touching eyes, mouth and nose and avoid shaking hands with anyone.

On behalf of the Management, we heartily thank you all for your wonderful co-operation from time to time.

We at SVIS wish you all healthy holidays.
