

March 20, 2020

Dear Parents,

We stand united by PM Narendra Modi's clear message that advocates -

- + Staying indoors and spending quality time with family.**
- + Encouraging work from home.**
- + Maintaining composure by not panicking - to refrain from buying and hoarding food.**
- + To make serious efforts at social distancing.**

We will stand in solidarity with PM Modi's appeal to show our gratitude towards our doctors, health care personnel, police department, airport authorities, government officials, delivery staff and all other essential services at 5pm on Sunday, 22nd March to honour people who act in service above self.

Let's make the Fight against Corona our priority.

Let's follow Self Imposed Janta Curfew from 7am to 9pm on Sunday, 22nd March, 2020.

Together Humanity will Win !!!

We care for the safety of SVIS Family.

**Warm Regards,
SVIS Management**
