

17th July, 2019

Dear Parents,

It gives me immense pleasure to welcome you and all students into the new academic year 2019-20, which began on a successful note. In the recently declared results of the SSC board exams, SVIS students brought laurels to the school. I heartily congratulate all the meritorious students as well as the Heads, Teachers and Parents for the wonderful achievement.

This year is indeed very special as **SVIS-Gorai** is proudly treading into the Silver Jubilee Year backed by the excellence and exuberance of each of the **gems and jewels** produced by this great Institution and the collaboration and cooperation from each one of you and capably supported and strengthened by the Heads and the dedicated and devoted team of teaching faculty. Yes, of course, the School is successfully entering into its 25th year since its inception in 1994 and I am grateful to each and every stakeholder for their immense contribution in accomplishing this trait. Above all, I profusely thank God Almighty for His kind blessings in enabling SVIS scale greater heights year-on-year.

This is certainly a huge milestone traversing through the journey of SVIS in the realm of education. I am proud that large number of children who sailed through their schooling period from SVIS have indeed achieved greater success in their chosen fields and some of them are well known celebrities too. I heartily congratulate Rohit Sharma for creating headlines and world records in the field of cricket and his classmate Dr. Chaitanya Giri for creating headlines in the world of space. I wish to proudly take this opportunity and wish them all the best of things to come their way in all their future endeavours. I am also making necessary arrangements for celebrating their success and achievements during this academic year and would eagerly look forward to the active involvement of each one of you and your children, which shall certainly act as a stimulant for the children to aspire for success.

As a first new introduction to this academic year and as a technological intervention to provide timely, quicker and easier access to various important information relating to the activities of the School, I am happy to announce the launch of MICM Mobile App called "EduSprint⁺" for the benefit of parents.

EduSprint⁺ is a user-friendly App. Few steps to enable activation of the EduSprint⁺ App in your mobile is indicated below. I request all the parents to download and use the App effectively to keep close track of their children's progress and school activities on their finger tip.

In addition to this, I will be sharing valuable parental tips from time to time which will be available on this app at a quick glance.
