Message From Our Founders

We aim to develop personality with percentage in every learner on campus.

The school leaves no stone unturned in creating a stimulating environment for learning with the aim to encourage the learners to explore, enrich and empower themselves for further learning and contributing to the world at large. We hope to give the world confident, sensitive and happy young adults.

Mrs. Archana Goenka

Mr. Sandeep Goenka

Our Vision

To ensure growth and development of every student as a global citizen through the simultaneous realization of academic, physical, cultural and spiritual aspiration.

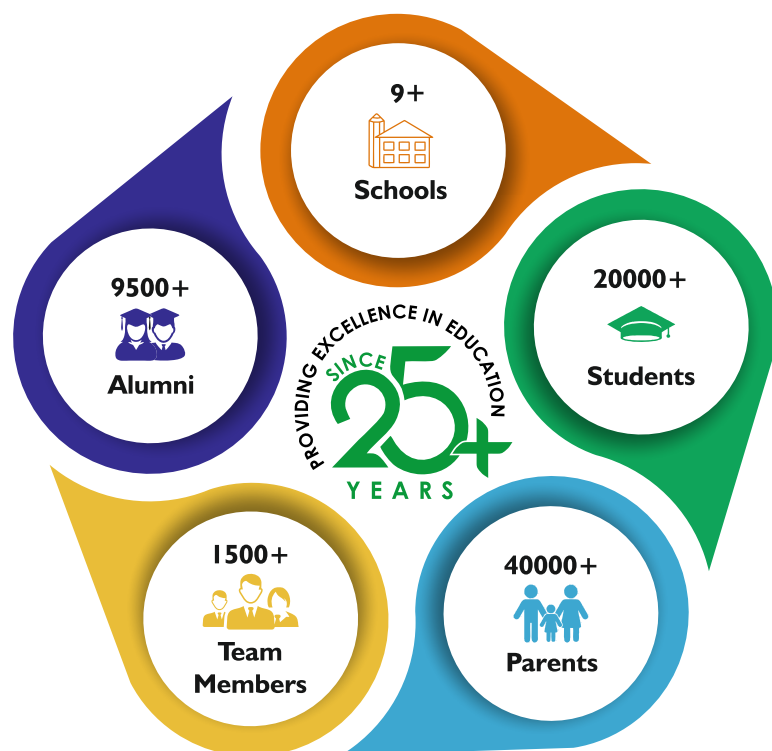

Our Mission

Swami Vivekanand International School provides a conducive environment to help students realize their true potential by nurturing in them skills, such as creative thinking, teamwork, effective communication, problem-solving and being a lifelong learner which will help them blend seamlessly into an ever-changing society. To enable our students in realizing that a true global citizen is one who respects diversity of gender and cultural background.

Our Curriculum

PRESCHOOL

Playgroup - Senior KG

We are committed to nurturing children who are curious, eager, enthusiastic, happy and confident. Our curriculum promotes the development of critical thinking skills and ensures development in each domain - language, social, physical, cognitive, and social-emotional. This is enhanced through purposeful play. We believe that when the school and parent work together, optimum potential of the child can be tapped.

PRIMARY

Grade 1 - 5

As children transition from the preschool years to the primary years our focus is to ensure that each student develops a strong foundation in the core subjects of English Language, Math, Science, Second Language and Social Studies, while becoming critical thinkers and achieving at higher levels. The learning is balanced in all areas. The students enjoy activities like art, sports, music, dance, drama etc.

MIDDLE SCHOOL

Grade 6 - 8

With an enriched academic curriculum, we prioritise the development of the intellectual, physical, emotional and social quotient. Learning experiences at SVIS are based on the principles of active learning, student-centred learning and real-world problem solving. We believe that the best learning happens through discovery and experimentation, with the student leading in his/her own learning.

HIGH SCHOOL

Grade 9 - 10

The high-quality teaching learning processes, engage, challenge and equip the learners to develop themselves as independent, confident and responsible adults, taking charge of their future. The academic pathway with a choice of subjects is offered across different boards, which allows learners to follow their interests and future careers and also to gain admissions in choice of their University.

Story Time & Rhyme Time

Reading and storytelling promotes brain development and imagination, develops language and emotions, and strengthens relationships.

Literacy

We at SBI follow the UK based Programme – Letter land. It is multi-sensory programme which activates every learning channel for children through story, music, actions, alliteration, movement, song, art, games and role-play.

Numeracy

Developing numeracy skills early gives children a foundation for their learning and development. It prepares them for daily life, problem solving, handling money and logical thinking.

Special Days

Celebrations spark joy and joy facilitates learning. Our little explorers are seen celebrating 'Pet Day' where they learn the importance of loving and caring for all living beings on our planet.

LIFE SE

Show and Tell sets the stage for children to become confident speakers. It develops vocabulary and descriptive language skills. It is a wonderful introduction to public speaking as children are often speaking about a topic they are interested in expressing their thoughts, allowing children to develop self-esteem and confidence.

Show & Tell

Fitness Fun

Physical activities increase muscle strength and endurance, strengthen their bones and boost their metabolism. It makes them more energetic and active while improving their attention span.

Technology & Coding

A balanced approach is followed at SBI to ensure technology supports collaborative learning environments and brings in structure, focus and engagement through interactive learning games and teaching aids. During the early years the brain learns about patterns and sequences and builds on problem solving and thinking skills-all skills required in coding!

Theme Based Learning

At SBI, we have divided the year with themes designed specifically for our learners to achieve higher levels of learning. Theme-based learning helps children explore, understand, and appreciate their world deeper in more connected ways.

Learning Spaces*

Classroom

Mindfully designed preschool classrooms that fosters creativity and curiosity with vibrant colours, interactive learning centers, and flexible spaces, where every child can explore, learn, and grow with joy.

Splash Pool

The splash pool area offers a refreshing play experience, encouraging sensory development, social interaction, and a fun way for children to cool off during warm days, adding diversity and excitement to their learning journey.

Outdoor Play Area

A dynamic space where children embrace fresh air, enhance motor skills, and cultivate creativity, promoting physical and social development crucial for a well-rounded early education experience.

Sand Pit

The sand pit area sparks imaginative play, fostering creativity, sensory exploration and fine motor skills development in a safe and engaging environment, enriching a child's early learning adventure.

Our Parents's Speak

Very happy with my daughter's progress. The school has very attentive and caring teachers who nurture your child. I will definitely recommend this school to all parents for the holistic approach to learning.

Parent of Prisha Joshi
Grade: Playgroup

Each child at SBI is treated with care and is given undivided attention. The school has an excellent curriculum and administration. The teachers and the staff members are amazing. The teachers think outside of the box to give a successful educational experience for the students. They teach value lessons, communication skills and much more.

Parents of Abhiraj Sirohi
Grade: Nursery

SBI is one of the best preschools. The school encourages the students to participate in extracurricular activities along with the academics and focuses on the overall development of kids. We love the fact that various festivals are celebrated in the school so that the younger generation learns about our traditions and culture. I would highly recommend SBI to every parent.

Parent of Shradha Khandalkar
Grade: Junior KG

I am very thankful to the entire team at SBI for bringing up my child so well. Teachers make him feel at home. My child looks forward to go up to school and meet his friends and teachers. The personal attention given here is worth praising. My child has bloomed beautifully. Glad to be a part of this organisation.

1. PHILOSOPHY & ACADEMICS

THE 4 PILLARS OF STUDENTS' SUCCESS

17.

18.

PERSONALITY :

We focus on character building, 21st-century skills, and mental health. Through cultural celebrations and leadership opportunities, we develop independence and creativity. Our wellness center supports student mental health.

PASSION :

We encourage students to turn their passions into professions. Through our Sports and Performing Arts programs, students explore a wide range of activities and receive support to excel in their chosen fields.

PERCENTAGE :

Academic excellence is vital, but we also emphasise skills like curiosity and inquiry. We aim for every student to develop habits that ensure high-quality work, regardless of their exam results.

PROFICIENCY :

Beyond textbooks, we promote practical knowledge through experiential learning, projects, and hands-on activities. Our goal is to make learning an engaging adventure that prepares students for the future.

A) TEACHING METHODOLOGY

WHAT IS SPECIAL ABOUT OUR ACADEMICS?

HOLISTIC GROWTH:

We emphasise nurturing all aspects of student development—academic, emotional, social, and creative.

PERSONALISED LEARNING:

We focus on recognizing & cultivating each student's unique talents and passions.

BALANCE OF ACADEMICS AND LIFE SKILLS:

We stress the importance of a strong academic foundation paired with critical thinking, problem-solving and character development.

DIVERSE OPPORTUNITIES:

We offer a wide range of co-curricular activities that help students discover and excel in their areas of interest.

FUTURE PREPAREDNESS:

We prepare our students for life beyond school, fostering confident and socially responsible individuals.

POSITIVE IMPACT:

We aim to shape students who are ready to make a positive impact on the world.

BEYOND BOOKS :

Partnerships with local organisations, businesses and community groups.

Mrs. Amruta Verma
(PRINCIPAL GORAI)

"Education is the key to unlocking the world, a passport to freedom."

Students should be encouraged to believe in the endless possibilities of the universe, which requires incorporating value-based education and spirituality into the curriculum. As educators, we need to help our students evolve as independent learners. Allow them to pause; allow them to fumble. Gradually, they will become steady. For every small step they take, guide them forward. Teach them to accept defeat with a smile. Only then will this young generation surprise us with their open-mindedness and focus. As parents, educators, and policymakers, we must empower our children to face the future. Let us include in our education elements that increase children's happiness, resilience,

C) PARENTS TESTIMONIAL

I'm Rajesh Shah and this is Vijeta. We're the parents of Kartik & Kimaya. Choosing SVIS was one of our best decisions. Even in the 9th standard, they're excited to go to school every day, even in the rain! We love that SVIS offers choices in extracurricular activities, understanding that each child is unique. The teachers are incredible and always go above and beyond for our kids.

”

I'm Somdeep & along with my wife Bhaswati, we are the proud parents of Ahona (Grade X) and Ayaansh (Grade II). Our experience with SVIS has been amazing, thanks to the nurturing environment created by everyone at the school. Ahona has transformed from a shy child into a confident student, active in the choir, assembly, debates and competitions. The school's focus on safety, both on campus and during trips, is also exceptional. We are truly grateful to SVIS for their dedication and support. Thank you!

CITIZENS OF TOMORROW

Join the SVIS Family

Our larger mission is to empower students as leaders, equipped with the knowledge and skills to thrive as global citizens. We prioritise academic excellence and character building, fostering traits like perseverance, empathy, and resilience.

We emphasize the importance of empathy and compassion. We nurture students to develop a lifelong love for learning and personal growth.
